Balaji *Durai*

Senior EUC & Azure Platform Engineer

DOCTORAL GRADUATESHIP · AI · 2026

PROFILE

16+ years building AI, cloud and end-user computing platforms for Deutsche Bank, LIDL, Kaufland and Olympus. I make sure tens of thousands of people can start work every morning, automate the toil out of operations with SRE practice, and bring GenAI to where real work happens.

EXPERIENCE

2025 – present

Technology Lead EUC
HCLTech GmbH · Frankfurt / Eschborn

Client · **Deutsche Bank**

- Technical lead for EUC and virtualization platforms (Citrix DaaS on Azure) in a regulated banking environment.
- **SRE Automation Lead: cut operations cost by 60%** with self-healing profiles, storage monitoring and orchestrated image rollouts.
- GenAI evangelist: bringing Azure AI Foundry, Azure OpenAI and Copilot into daily operations, towards autonomous operations.
- Daily drivers: Terraform, Kubernetes, Docker, GitHub Actions, PowerShell.

2019 – 2025

Virtual Platform Consultant
Schwarz Digital

Clients · **LIDL · Kaufland · PreZero**

- **Platform enablement for 80,000+ users**, one of Europe's largest virtual workplace estates.
- Built Azure Virtual Desktop from zero, migrated Citrix DaaS to the cloud and set up the EUC operating model.
- **7-figure savings** through platform optimization; presales workshops, PoCs and solution design.

2012 – 2019

Infrastructure Engineer
Tata Consultancy Services

Clients · **Olympus Europa · Marks & Spencer**

- Enterprise infrastructure and EUC projects for major European clients.

2009 – 2012

System Engineer
HCL Technologies, India

Client · **Micron Industries (USA)**

- Operations and support of Windows and infrastructure environments.

2008

Engineer
Yahoo R&D, India

DOCTORATE & EDUCATION
